This is to certify that Ambadas Ganapa, a student of K.P. Mangalvedhekar Institute of Management, Solapur, has successfully designed and developed the ClassMate – Tuition Management System for Prarambh Coaching Institutes, Solapur.

This project was undertaken to streamline and automate tuition-related operations, including course management, batch allocation, student enrollment, tutor management, and fee processing.

The system is designed to be efficient, user-friendly, and tailored to the institute's specific requirements. Its successful implementation demonstrates Ambadas Ganapa's expertise in software development, problem-solving, and system optimization.

We appreciate the dedication and technical proficiency demonstrated in this project, which has significantly enhanced the operational efficiency of our institute.
